QUESTIONS

FREQUENTLY ASKED QUESTIONS

Will this fuel filler door fit my truck?

It is listed for Ford F-250 F-350 F-450 Super Duty trucks from 2023 through 2025. Send us your year, make, model, trim and VIN before you order and we will confirm the fit for your exact truck.

What color is it and will it match my truck?

The factory finish is Agate Black, as photographed. Factory paint fades differently on every truck, so even the correct color code can differ in shade from your existing panels; a body shop can blend it if needed.

What is the part number?

The manufacturer part number is J27936-AD. Compare it with the number stamped or labeled on your old part; for electrical parts the number must match exactly or be an approved supersession.

What comes with it?

Only what is shown in the photos and named in the listing. Brackets, hardware, bulbs, sensors and wiring are not included unless the listing says so. If you need a related part, ask and we will check the yard.

How does this fuel filler door ship?

By UPS, FedEx or USPS, free to all 50 states. Handling is 1 to 2 business days after payment clears and most orders arrive in 3 to 7 business days door to door. Tracking is emailed when it ships.

Can I return it if it does not fit?

Yes. You have 30 days from delivery to return it as long as it has not been installed, painted, modified or programmed. There is no restocking fee. You pay the return shipping unless the mistake was ours, in which case we pay it and refund you in full.
